IDEM ID Number:

2011-266-36-AMM-A

Closing Date:

July 6, 2011

PUBLIC NOTICE

Corps of Engineers ID Number:

Not Available

To all interested parties:

This letter shall serve as a formal notice of the receipt of an application for **Section 401 Water Quality Certification** by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

- 1. Applicant:** Mr. Michael Mellencamp
Margaret Mellencamp Farms, Inc.
16941 S Jonesville Rd
Columbus, IN 47201
- 3. Project location:** NE Quarter, Section 21, Township 7N, Range 6E, Azalia USGS Quad, Jackson County.
I-65 to SR 11, then 1 mile east on SR 11 to Bartholomew/Jackson Count line.
- 4. Affected waterbody:** East Fork White River
- 5. Project Description:** The applicant is proposing a bank stabilization project along 1,400 lf of the East Fork White River to protect against continued property loss. The project would include reshaping the west bank to an approximately 2:1 slope, and the placement of clean crushed or slab concrete beginning 4 feet below the OHWM and extending approximately 14 feet up the slope. Additionally, the applicant is proposing to establish a natural buffer area on the remainder of the slope and extending 20 feet beyond the top of slope.

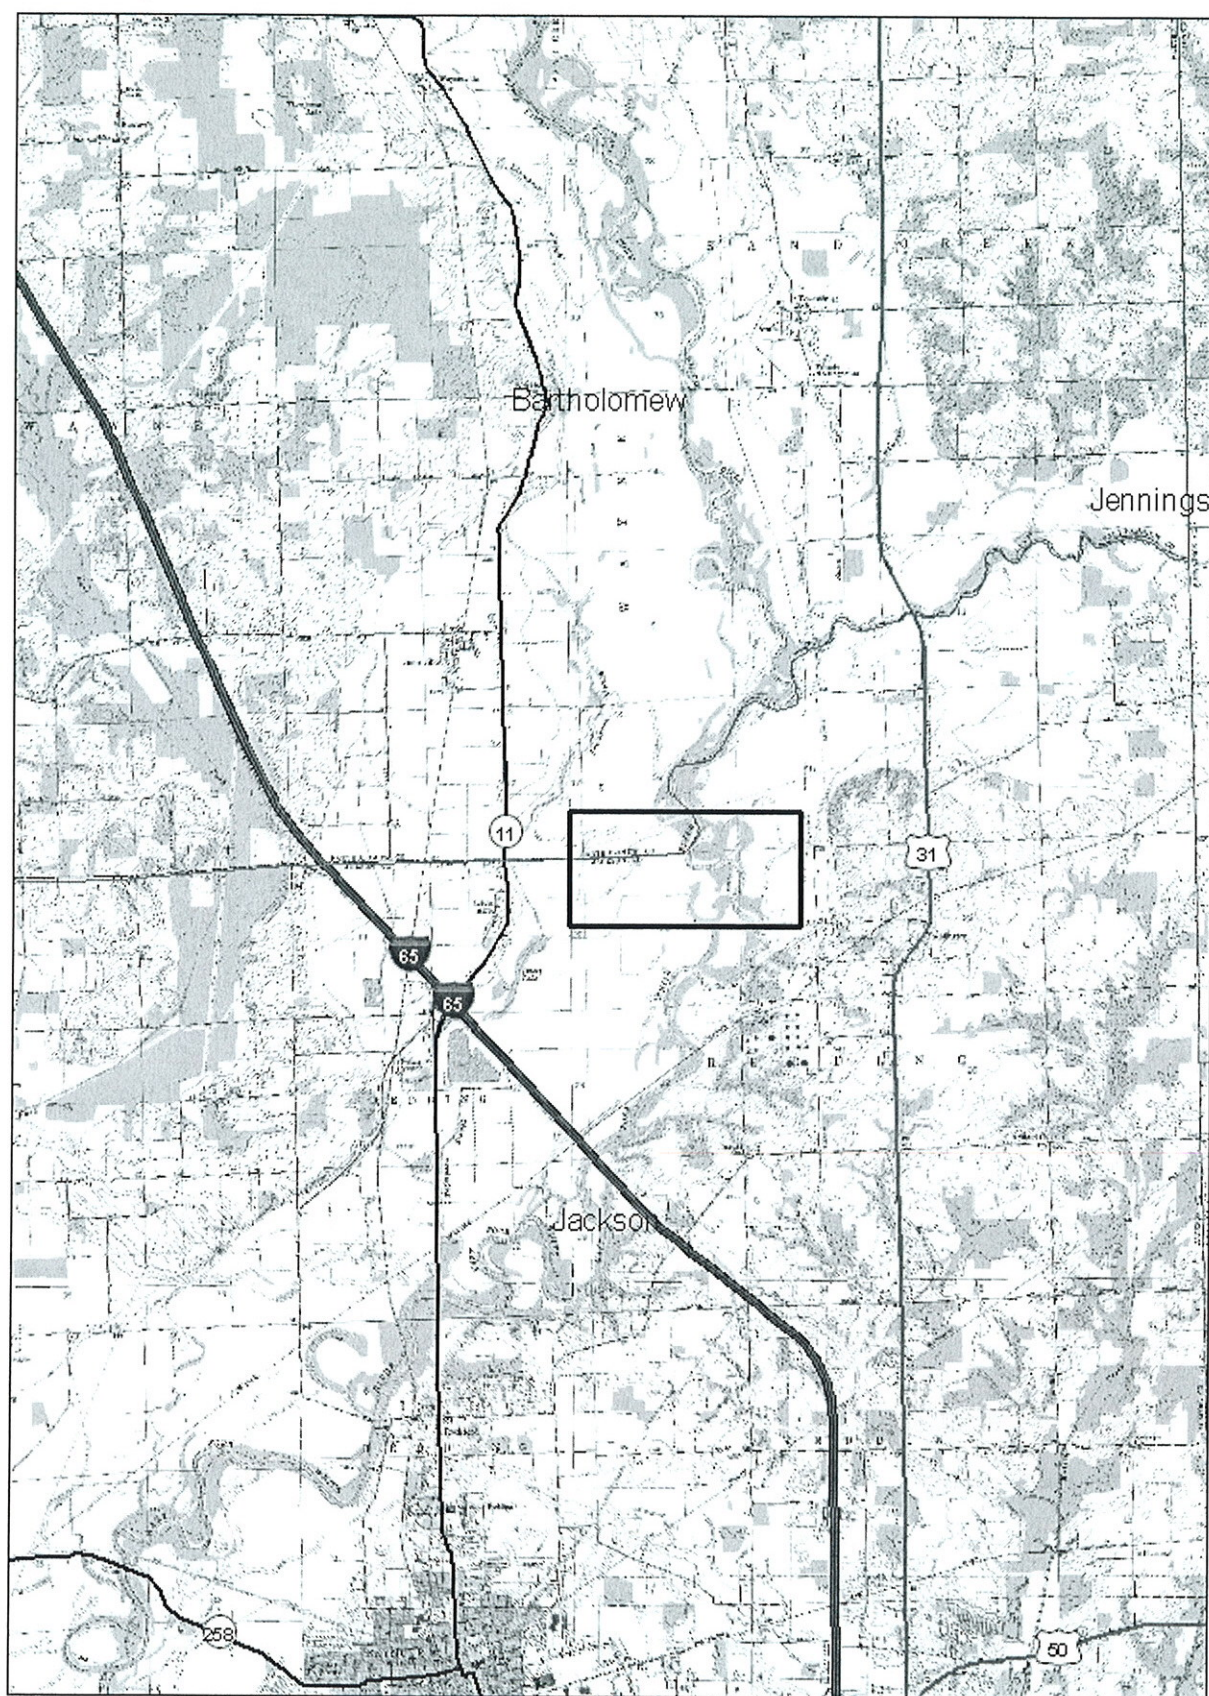

Comment period: Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

Public Hearing: Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions? Additional information may be obtained from Mr. Aaron McMahan, Project Manager, at 317-234-6351. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to -
